## HELLO!

My name is Missy Humpfer and I am beyond excited to be your new Family Ministries Director! I have been a teacher in both special education and general education classrooms for the last 6 years. I have been dreaming of a job where I can use my skills as a teacher and be able to share my faith. This was a moment when God sought me out and prepared the way for this opportunity. I can not wait to get to know each and every one of you.

## FUTURE GOALS

I am hoping and praying to grow our ministry to include middle school/high school students and eventually create a program for young adults (18-25 years). I want to make our church a place to have fun and to grow in our relationships with God. Please pray for the volunteers and I as we get to grow our ministry to benefit our community.
